

Professor Valentine Joseph Memorial Scholarship awarded by the Colombo University Faculty of Science Alumni Association of North America (CUFSAA).

Scholarship Proposal Details (Subject to change)

We reproduce below, part of the scholarship proposal to the benefit of our membership

- **Recipient:** The Award is to be offered yearly to a fourth-year student pursuing a special Degree offered by the Department of Mathematics, University of Colombo.
- **Award Criteria:**
 - Criteria 1: The recipient needs to be a fourth-year student who is following a Special Degree offered by the Department of Mathematics, University of Colombo.
 - Criteria 2: The recipient must have maintained a predetermined GPA in the first, second and third years of study.
 - Criteria 3: Of those satisfying Criteria 1, and 2, the recipient will be the student among the applicants who possess the greatest economic need.
 - Criteria 4: The Recipient should not receive certain other awards given by either the Mathematics Department of the University of Colombo or the Faculty of Science of the University of Colombo (List of awards excluded to be provided later) at the time of the Award.

A student who satisfies all four criteria described above will receive the annual Professor Valentine Joseph Memorial Scholarship.

- **Application Process:** Students who are about to or have already completed their 3rd year of study need to apply to Dean/Science, using established procedures to qualify for the scholarship.
